

Where is our government in support of the Fairness Doctrine? Sinclair's intended actions have illustrated the blatant misuse of consolidated media.

I know the purpose of the Fairness Doctrine. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Who is enforcing this?

Sinclair's actions, dangerous and in violation of what we the people believe is right and just, show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to be careful to be acting in good faith on behalf of the public.
